Re: Tip Top Electric – Issac Azari

**Reference Letter**

I am pleased to write this letter regarding Tip Top Electric.

My company has contracted Issac Azari's services for many of our residential and commercial accounts.

Not only do I recommend Issac to our clients, but I also used him to wire my own home.

All the work that he performs is on a professional basis.

He has the right attitude when he takes on a job.

"Do the job right or don't do it."

Issac is very neat and positive about the job that he has to do.

We receive excellent feedback from our clients that the job was well done and that Issac is also a nice guy to work with.

Issac has done the following work for our company and its clients:

Electrical, Telephone, Internet, Alarm and Surveillance Camera wiring.

If you require further information, please feel free to contact the undersigned.

Yours truly,

A handwritten signature in black ink, appearing to read "Perry Cohen".
